Membership Rules:

General

The National Highways Builders Federation Membership eligibility is in respect of the contractors involved in construction of National Highway (Road and Bridges) works of the Government of India, Ministry of Road Transport & Highways. This includes the works executed by the National Highways Authority of India and the State PWD's etc.

Admission of membership will be governed by the Memorandum of Association and Rules & Regulations of NHBF.

In order to create a strong data base for the industry, members of National Highways Builders Federation commit and undertake to provide NHBF the following minimum data and reports for the past four year period and annually thereafter.

Annual Report Summary:

Gross Annual Turnover	Rs. Crore
Construction Business Turnover	Rs.Crore

Numbers of Employees in Construction Business:

Note: - NHBF will not divulge company specific data provided by the Member but will integrate and use the same only as appropriate.
